

## 'Sky Falls' On New Addition To Overseas Fighting Canadians

"A rather interesting evening" somewhere overseas is described by L-Bdr. Kenneth A. Johns, Newmarket, in a letter to his sister-in-law, Mrs. George E. Johns.

It was an air-raid. "Suddenly we heard a very faint whistle and being novices we stood and looked at each other until an enormous flash lit up the sky. A few seconds later a terrific concussion rocked us and we knew we had witnessed our first bomb."

"All the time the searchlights were focussed on one spot and due to slight haze we couldn't actually see the plane but by this time it was almost directly above us."

"You may imagine how we felt at this time when far above us we detected a faint whistle which rapidly increased to a nerve-shattering whine. I may say that I'm expecting the V.C. for being the first man to hit the ground. We were fooled again, as the bomb passed us by and blasted a crater in a nearby common. We don't think we were the target. These eggs were just jettisoned."

"The blast broke a few windows and when it passed every one got shakily to their feet, as the show had just started. High in the heavens directly above us we heard the reassuring roar of a British night-fighter. Evidently it passed a radio signal to the lights that it had spotted the bomber, as they shut off as one. Then right above us at about 10,000 feet the sky became bright with tracers."

"Twice we heard the night-fighter's engines roar as he dived to attack and the rattle of

L-BDR. KENNETH JOHNS

machine-guns and the roar of cannons echoed down on us. Then the biggest thrill came. A bright flash lit the sky and the sound of the German motors increased in tempo as he raced to evade the issue, but he had been fatally hit, as with engines roaring at top speed he came hurtling down. It hadn't caught fire, so it wasn't until a searchlight flashed and showed it spinning down that we were able to glimpse its fate. With a flame that lit the whole countryside it crashed into a hill a mile and a half away.

"For an hour we watched the plane blaze and listened to the ammunition explode. Two of the crew crashed but the other four baled out and were captured in short order."

## RED CROSS MEETS ALL BOATS, BRIDES, BABIES

(By Leonora Starr, Newmarket Red Cross)

From Halifax comes the story of a bustling branch of Red Cross service. When British brides of Canadian soldiers in Britain reach our shores from overseas they are given a big welcome by volunteer workers with headquarters set up in the Red Cross port service rooms.

When Red Cross officials are informed that a ship with British passengers is docking at the pier, an efficient group of workers is recruited and dispatched to the port service rooms.

When the passengers arrive here, whether they are wives of Canadian servicemen, infants or soldiers, airmen or seamen, home for further training or honorable discharge, the Red Cross port service workers are ready to give them every assistance. During their short time in port before leaving by train to other parts of Canada, the overseas arrivals are directed to the port service rooms. There, in a home-like atmosphere, they are welcomed, comforted and given refreshments to better equip them for the final journey.

Recently the Red Cross port service workers served 250 adults and cared for 32 children who arrived on one ship from overseas. On another occasion 46 war brides and 19 infants were welcomed at the rooms before leaving for points in Ontario, Manitoba, Alberta and Vancouver.

## SAILOR SAYS THANK YOU FOR DITTY BAG

An interesting letter has been received by Miss Roslyn Van Norman and her school pupils at Keswick from Ray T. Lumley of the Canadian navy, thanking them for a ditty bag prepared by them which he received at Christmas.

"I received your swell ditty bag and I want to thank you from the bottom of my heart," he writes. "You don't know how we appreciate things like that. It is not often we get such lovely things, and when we do get them we really enjoy them. Once again I thank you."

"I am a chief petty officer in the navy in the engineering branch and I like it very much. I have been in the navy for a little over three years. I am from Toronto, not far from where you are, although I have never been up to Keswick."

## DOING THINGS DIFFERENTLY, SAYS MULOCK

"The signs point to an election, although just when is not known, and we want to reorganize our Newmarket Liberal Association," President Joseph Vale told a meeting of Newmarket Liberals in the Boy Scouts hall on Monday evening.

Mayor Dr. L. W. Dales thanked Postmaster-General W. F. Mulock, M.P. for North York, for help he had given the town without regard for the politics of those who had represented the town as delegates to Ottawa.

"I think that the government has done a good job," said Dr. Dales. "People should stand behind it and not try out some new patent medicine we know nothing about."

Morgan Baker, former M.P.P. for North York, acted as chairman for the election of officers, which resulted as follows: president, Joseph Vale; 1st vice-pres., J. L. Spillite; 2nd vice-pres., to be elected by Newmarket Women's Liberal Association; sec.-treas., Wm. Young; Liberal Association executive, N. L. Mathews.

"I think that Liberals fall down because we do not answer the criticism of the Conservatives and the C.C.F., those who want to get hold of property for nothing," said Mr. Vale. "Mr. King is too busy to publicize his virtues. When the war came Mr. King had to change everything overnight. Compare sky-high prices in the last war with prices in this war."

Mr. Baker said that the King government's excess profits tax had curbed industrialists who "wanted to make a lot of money during the war."

"We want to avoid after this war the situation that occurred after the last war," said Hon. W. F. Mulock. "There is a tremendous amount of work being done at Ottawa to avoid the pitfalls of the last war."

Mr. Mulock spoke of the government's program of social legislation and work for all. "The minds of the people are distracted from winning the war to what should be done after the war," he said. "We must first win the war. Our troops are fighting in difficult country in Italy, and they are up against the best troops of the German army."

"The casualty lists are coming in. We must support the boys. Social security is good but our boys give their lives. If we do not win the war, Hitler will have his say and there will be no social security."

"I believe that Canada's population will increase tremendously. Canada has grown during the war. Who would have thought that during this war? We now have skilled workers and our boys in the forces are learning trades. We must see that people have employment after the war."

Following Mr. Mulock's address there was a question period. Chas. Near asked why Canada could not have compulsory voting as in Australia.

"We could have it but what would you think if your neighbor did not turn out to vote and he were prosecuted?" asked Mr. Mulock. "How would you like to go back to him the next year and ask for his vote? I am opposed to putting laws on the statute books that cannot be enforced. I would like to think more about compulsory voting. At present I am not in favor."

## PRICE CEILING PAYS ITS WAY—M. W. LAPP

"Cost of administering the price ceiling, including all the expenses connected with rationing, is approximately \$1.25 per year for each person in Canada, or about ten cents per month," said M. W. Lapp, of the wartime prices and trade board's management service division, Toronto, at a meeting of the Newmarket Business Men's Association in the town hall on Friday evening.

"When we recall that in 1920, the Canadian consumer was paying 22 cents a pound for sugar and about \$1.60 for four pounds of jam, it becomes apparent that the advantages of price control outweigh the cost many times," Mr. Lapp said. "The success which has been achieved is due in no small measure to the ready co-operation of the great majority of merchants."

Warning against unjustified optimism, he declared: "We must condition our thinking to a continuation of trying conditions of short supply for many months to come."

"All available information indicates that most retail merchants in Canada have not suffered financially during four years of war. In fact, many have substantially improved their position."

Mr. Lapp emphasized the advantage to merchants in keeping records and breaking down their expenses into classifications.

President R. C. Morrison was in the chair.

## Aubrey Scythes Helped Land Canadians In Sicily

Lieut.-Engineer Aubrey Scythes, Newmarket, has had some interesting experiences in the past two years with the Royal Canadian Navy. Lieut. Scythes volunteered for combined operations duty and saw action in the Mediterranean.

Lieut. Scythes was in command of a flotilla of 12 assault barges in the landing of Canadian troops in Sicily in July and helped to land American troops at Salerno. The barges were launched from troop ships about seven miles off shore.

He has visited Algiers, Djeddah, Bougi, Tripoli and Sousse in north Africa. During his visit to Algiers in September it was 107 in the shade.

Another interesting experience of Lieut. Scythes was when, during the battle of Sicily, he flew by U.S. army bomber from Sousse on the east coast of Tunisia to Algiers in Algeria, over the ground covered by the 8th and 1st armies in the last stages of the battle of Tunisia.

Lieut. Scythes transferred from the R.C.A.F. to the navy two years ago in November. He started out as a chief petty officer, and then became a warrant engineer. While in the Mediterranean theatre he was promoted to the rank of sub-lieutenant, and on Jan. 1 of this year he was promoted to lieutenant-engineer.

In London, England, Lieut. Scythes met Capt. Jack Patterson of Newmarket, who is serving with the army medical corps. During his stay in London Lieut. Scythes joined the Church club, where service men hear prominent speakers, including members of the house of lords and the house of commons.

Lieut. Scythes, who has been home on leave, will go to the United States on Feb. 24 for a course as a submarine technician. It is the first time Lieut. Scythes has been home for 15 months. His wife and two children, Norine, eight, who attends the Alexander Muir school, and Murray, four, gave him a hearty welcome home.

## Enough Of Slit Trenches, Former Editor Writes

"Well, the Christmas rush is over in the Canadian end of the Edinburgh section," Pte. Angus C. West, former editor of the Newmarket Express-Herald, who is with the postal corps overseas, writes in a letter to L. P. Cane, Newmarket postmaster. "It wasn't too bad, though. Had a good staff of extras that knew their units, so we were pretty well off. They went home today. The biggest one day's mail was 700 bags of parcels and about 40 of letters. We finally waded through them. The big percentage of the bags didn't have to be sorted but went right through to the separate units."

"This is a great city and I imagine that you and Harry McCordick gave it the once-over on your journey here. Get ten days leave on the 17th and am hitting north. It isn't the right time of year to see the grandeur of any country but am just afraid that I might never have the opportunity again."

"You know the army—here one day, pack the old kit-bag and some place else the next. You would have got a great kick out of my Canada ground antics and digging slit trenches. Had almost a month of it and never want another. I don't think the sergeant ever wants another one either."

The Era and Express may be purchased at Bolton's, Bell's, Campbell's, Best's and Spillite's.

The town flag flew at half-mast this week in honor of another Newmarket boy killed overseas.

Pte. Jack Revill, the 20-year-old son of Mr. and Mrs. A. E. Revill, Newmarket, was killed in action in Italy on Feb. 5. His parents were advised on Monday morning.

The Revill family came to Newmarket from Brantford in January, 1941, but Jack was employed with the Bell Telephone Co. at Guelph and did not come to Newmarket until the summer. He studied in the commercial department at Newmarket high school for a year, and then worked at Budd Photo Studio for the summer. He enlisted in August and went overseas in March, 1943. He had been in Italy since November.

Jack Revill was a King's Scout and became one of Newmarket's first Rover Scouts, organized by Scoutmaster B. A. Budd. He belonged to St. Paul's Anglican church. He and his younger brother, Bill, had been members of the choir of Grace Anglican church, Brantford. While a Boy Scout at Brant-

**THE NEED GROWS AS VICTORY NEARS**

**\$10,000,000 needed NOW!**

This is the year of supreme effort, the year Red Cross will be needed as never before. And as our all-out victory drive gains momentum, as casualty lists mount, as the horrors of war spread wider and sink deeper, this need will grow.

We must see them through: the fighting men on every front, the gallant Merchant Navy, the wounded and maimed in British and Canadian hospitals, Prisoners of War, the homeless war orphans of Britain and the suffering millions of Europe.

Only the Red Cross meets this call for vital life saving food for Prisoners of War parcels, medicines, comforts, blood serum and nursing that spell survival for so many. There is no one else to do the job.

That is why we cannot fail: why we ask you to open your hearts and purses, giving to the limit of your ability.

Remember, Victory will not be cheap; the real need lies ahead.

A pretty wedding was solemnized at St. John's Roman Catholic church, Newmarket, on Saturday, Feb. 5, when Mrs. Gladys Irene Tibbitt, Newmarket, daughter of Mr. and Mrs. J. E. Snider, Newmarket, became the bride of Daniel Alphonse Noonan, Perth, son of John Noonan, Perth, and the late Mary Noonan, Rev. Dr. W. D. Muckle officiated. Spring flowers decorated the altar.

Given in marriage by Carl Potter, the bride was gown in a navy blue crepe dress with white metallic bodice and matching accessories. She also wore a gold pendant with a birthstone, the gift of the groom. Her corsage was Talisman roses.

Mrs. Norman Forhan, Newmarket, was bridesmaid, and wore a grey crepe dress with a corsage of pink roses. She wore a gold cross and chain, the gift of the groom.

Marcellus O'Hara, Toronto, was groomsmen. His gift from the groom was a billfold.

During the signing of the register, Miss Frances Brankin, niece of the groom, sang, "On This Day," "Magnificat" and "Communion Hymn." Her gift from the groom was a gold locket.

Following the ceremony the couple left for points east. They will reside in Newmarket.

About 35 friends were present for the ceremony.

Among the guests from out-of-town were Mrs. Ann Brankin, sister of the groom, Perth, Mrs. H. Higgs, Toronto, Mr. Ed. Garb, Toronto, Mrs. L. Mulholland, Toronto, Miss Margaret DeWitt, Toronto, Miss D. Carley, Toronto, and Mrs. J. Nash, Richmond Hill.

CATALOGUES ARE HERE,  
SPRING SOON WILL BE

(By Rudy Kenzie, Newmarket Horticultural Society)

It may be the weather, it may be the newly arrived seed catalogues. Whatever it is, it turns your mind to gardening. We had a splendidly attended annual meeting last week. Mr. John S. Clark, the well-known speaker on horticultural subjects, gave a very fine illustrated lecture on "Home Beautification."

You simply have to go out in the garden or the woods to cut a few branches of some favored shrub or tree. Put them in water and they will brighten up the dull days. It is also time to take cuttings of many of your house plants. Have a window full ready to plant out in the garden.

You can plan your garden on paper and get the seeds ordered. Buy only the best. You may raise vegetables for food this year or you may raise flowers for morale. It's hard to tell what is more important.

My vote is for the flowers. For saving reason the new catalogues have fewer colored pictures and that is probably an advantage because nobody could ever raise flowers in an amateur garden like the pictures.

So as not to buy too many seeds and thus waste them, it is well to draw a plan on paper, marking down where every kind of seed goes. This gives you a much better idea and will also show you that you can cut your list of seeds down to half.

When planning your garden it is also wise to figure out how much time you can give to your garden. As a rule, one starts the gardening year with high ambitions, but the July heat is liable to cut down the speed. Promise yourself a well kept and cultivated garden.

This is the time to send seeds to your friends in Britain. They would like some cabbage, cauliflower, lettuce, carrots, tomatoes, beans, spinach and broccoli seeds. All these are very expensive in England, not to mention the good quality of Canadian seeds from well-known seed houses.

SO YOU ARE GOING TO  
SELL OUT?

Every farm or household sale should be well advertised. Some people go to a sale because they know where and when it is to be held, and they think that they will have a pleasant time "visiting" or that there may be something offered in which they will be interested. They may come to visit and remain to buy.

Other people go to a sale because they have seen in the sale list some particular article or animal that they want. They have a chance to think about it before the sale and to think about spending some money for it. They are the people who really want things, and they make the sale interesting. They either get them or force someone else to pay a good price.

Publishing your sale list in your district newspaper is the best way to get these go-getting bidders at your sale. An expenditure of from \$3 to \$8 (40 cents a column inch), according to the length of the sale list, will be returned to you many times over.

Sure and everything's alright now as the intermediate hockey squad from No. 23 turned back the No. 1 C.A.C.T.R. club of Camp Borden, at the Newmarket ice cushion, on Thursday by a 6-4 count.

The homesters came from behind a three-goal deficit to chalk up their fifth victory of the current intermediate hockey season, in a fast and furious contest that sent the canal town hockey fans home well satisfied.

The visitors got the jump on the Redmen as they pushed the tally board up to three in the first six minutes of action-packed hockey, two of the markers being rung up by Harvey Avison, local right winger, was serving a spell in the jug. The twenty-threes started on the come-back trail, before the first rest interval, as the old spark-plug, Jack Wheeler, rammed home a pass from Walt Zukli.

In the middle frame "Gar" Preston rang up a marker on a snap pass from Jack Wheeler, and a minute later it was all even between the two sides, as Steve Stephen as Walt Zukli broke in, to drill the disc home, Stan Croucher assisting.

Johnny Callanan and the old reliable "Gar" Preston decided to take a personal hand in the down-fall of the Borden squad in the closing chukker, as the Newmarket tankers put the game away with a quartet of scoring plays.

**Camp Loses At Barrie**  
T. & S. (Technical and Schools) of Camp Borden, fresh from an 11-6 triumph last week over the league-leading Brampton Army Bullets, took the measure of the visiting puck-chasers from No. 23, Newmarket, at Barrie arena on Monday evening with a 7-5 victory.

By upsetting both Brampton and Newmarket Commandos, in less than a week T. & S. red-and-black-sweated crew demonstrated they are a power to be reckoned with when championship honors are being passed around.

Fast, clean, wide-open hockey was played, with the Bordenites shading Newmarket a mite on scoring punch.

Brooks, guarding the twine for the Borden band, stole the spotlight focus as he turned aside many labelled shots fired by the Redmen.

No. 3 C.A.C.T.R. Camp Borden, is the opposition for the men of No. 23. Led by Mgr. Ab. Hulse, No. 3 is fighting for a play-off berth.

CANADIAN BOYS MAKE  
MEN CARRY BUNDLES

"I wish to express my deep appreciation to you for sending cigarettes," writes Spr. Wallace S. Morton to the Newmarket Veterans' Soldiers' Comforts fund. "If I had stayed in one place I would have received them sooner but I kept moving around, which is the reason why they were so long coming and why my acknowledgement is so long coming."

"I'm in Italy at present and find many points of interest. The cities and towns are built mostly on hill-tops and if you examine closely enough you can usually find remnants of old Roman fortifications."

"The Italian people have many mules and two-wheeled carts, which seem to be on the go day and night. The women of the farms seem to do most of the heavy work and the men do the supervising, which certainly doesn't speak very well for them. On one occasion some Italians wanted to cross a bridge we had built and the only way we'd let them across was for the men to carry the loads. The women just laughed and thought it a big joke but nevertheless the men carried them. I suppose we had no legal right to do it but they didn't seem put out at all and we had a bit of fun out of it."

"We get lots of nuts, oranges, figs and apples. Christmas day we worked but had roast pork, apple sauce, steamed pudding, nuts, apples and oranges for dinner. I think we fared fairly well."

"Received another carton of cigarettes on New Year's day and need I say thanks," writes Sgm. Fred J. Lusted. "Never have they been more appreciated."

"Have met four or five Newmarket lads here in Italy. So you see Newmarket is well represented wherever we go. What I can't figure out is why they ever called this country sunny Italy. When we first arrived over here never had I seen it rain so hard and so often. What a country! Another thing is trying to learn the Italian language. I'm afraid I'll get me beat, although I wish I could catch on to it."

"Had a very good dinner on Christmas day and on New Year's. Our troop had a private party and what a blow-out we had of turkey, nuts and wine."

"Just a few lines to thank you for your swell Christmas parcel," writes Cpl. Ken. Mitchell. "You sure are doing good work for the boys over here."

"I am becoming more or less acclimatized now and find England much more agreeable than when I first arrived here. However, I still prefer good old Canada and would be quite willing to return at any time. I guess that will have to wait for a while though as there is still quite a bit of work to be done here yet."

Two 4-3 Scores And Two  
Hot Arguments Mark Play

Identical scores again marked the second night of Aurora town league hockey last Thursday. Zephyr Blues took a 4-3 decision over Ordinance Depot in the opener by virtue of some favorable timing, and in the nightcap Vandorf made it an all-round evening by shading Aurora Builders.

Previous to the first game Zephyr appeared on the scene with Eugene ("Joint") McComb in tow for the fixture. McComb, ace forward of the Brampton Bullets, resides in Zephyr and, according to Manager Max Urquhart, was eligible to play for his team. A hastily summoned executive meeting ruled that inasmuch as Zephyr had not listed McComb as one of its personnel before the season, he was ineligible to play. Zephyr threatened to withdraw its team but eventually thought better of it and took the ice without McComb.

After both teams had missed countless chances, Morley Smalley batted one past Herbie Yake in the first period. Four minutes after the second period got under way, Chas. Lunney made it 2-0, only to have Al. Dunstall, Depot, score a minute later. After Harry Chambers had set up the opportunity, Cook tied the game at 11:00. In the final period, Ivan Clark gave the northers the lead, and "Red" Canning got the equalizer.

Both teams now threw caution to the winds and went at it hammer and tongs. Timer "Mouse" McMain, like the players and spectators, was carried away with the excitement and 45 seconds after the regulation time should have expired, Ivan Clark slipped one past Yake for the winner on a solo effort.

Immediately Depot supporters set up a protest but Referee Stewart Patrick, relying on C.A.H.A. rules, awarded the game to Zephyr. The incident had the fans arguing far into the night.

R.C.O.C. goal, Yake; defence, Lockhart and Walsh; forwards, Emiglio, Chambers, Goodhead; subs, Trent, Farley, Cook, Canning, Martin, Sonoski, Conboy, Trepanier. Zephyr: goal, Heaton; defence, S. Lunney, Cain; forwards, C. Lunney, Clark, Pickering, Rynard, Smalley, Johnson, M. Meyers, D. Meyers, Dixon.

**Vandorf Wins 4-3**  
By virtue of Herb Simpson's last minute goal Vandorf took a hard fought battle from Aurora town in the second fixture. "Mickey" Sutton and "Whitey" Jones teamed up for the town's first counter and Art. White did the second trick. "Barney" Hood, with the odd-man advantage, sandwiched a Vandorf counter between the two.

Vandorf had about the same margin on the play in the middle frame. Herb Simpson tied it up, then Art. White again put Aurora ahead, and with two minutes to go, "Duke" Dennis uncorked one of his super efforts and knotted the count.

The third period saw a mad melee when the Vandorf forwards rushed goalie "Ginger" Pugh on several occasions and the Aurora boys evened matters with some neat commando tactics. Simpson broke away to put the game in the bag.

Herb Simpson, goalie "Chub" Pattenden and Jake Baker were best for the winners. Patrick and McComb looked after the refereeing and missed little.

Aurora: goal, Pugh; defence, H. Sutton, Fleury; forwards, White, "Mickey" Sutton, Jones, sub, E. Rose, "Red" Rose, D. Case, Cameron, Trent, Rank, Preston, "Tiddies" Sutton.

Vandorf: goal, Pattenden; defence, Dennis and Simpson; forwards, Hood, D. Nigh, N. High, Foote, Eade, W. Battenden, W. Hoover, B. Preston, E. Hoover.

**FUR FLIES TONIGHT**  
The fur will fly tonight as Aurora town leaguers stage another fine doubleheader at the Aurora arena. Vandorf and Ordinance clash in one fixture, while Zephyr and Aurora town meet in the others. Wins for Depot and Aurora would leave all four teams tied at the half-way mark. That possibility, according to the fans, is by no means impossible.

DOGS BEWARE, SLOGAN  
ADOPTED BY COUNCIL

Recommendations of the police committee were presented to Aurora town council last week by Deputy-Reeve A. A. Cook, chairman.

Recommendations included a by-law prohibiting the keeping of pin-ball games within the town. "Many complaints have come to hand re boys spending their money on these machines, money that had been given to them for other purposes," said the report.

The committee recommended purchase of a small police radio at a cost of \$25 to \$30 for the police office. It also recommended that men be prepared for a dog pound and that town employees should make a weekly clean-up of stray dogs during the summer months.

The committee also reported on difficulties in controlling the weekly dances at Mechanics' hall. "The situation needs attention," commented Councillor Rod. V. Smith. Mr. Cook presented the report of Chief Fisher Dunham which showed 80 speeding charges, 65 convictions, seven other charges, seven convictions, six liquor raids, 202 nights on patrol, 829 personal calls at homes, 1,368 phone calls received at home, 14 juvenile delinquents interviewed, five calls to cafes re fights, three bad cheques, two convictions, \$724 in fines for speeding convictions and many other items.

Mayor Ross Linton read a letter from Chief Constable George Stuart, York county police, commending Chief Dunham and County Constable Aubrey Fleury for their co-operation in a particular case. "What hours has Chief Dunham?" asked Councillor Thomas Swindle. "Twenty-four," said Mr. Cook. "He puts in a lot of time," said Mayor Linton. "He has Thursday off. James Goulding acts on Thursday."

Councillor Dr. Crawford Rose asked if there were no police magistrates or justice of the peace in Aurora. "There are lots of justices of the peace but no magistrates," said Mr. Linton. "It is strange to me that these petty offenders have to be taken to Newmarket," said Dr. Rose.

Councillor Robt. Thomson said that since the police committee had raised the question of pin-ball machines he would like to say that he had on his premises a "five" game, shooting down planes, but that if a youngster spent more than five cents he asked the youngster what money he was spending and if he could afford to do so.

Mr. Swindle spoke against the pin-ball machines. "They are not illegal," said Mr. Rowland. "They don't pay off."

Mr. Sparks said that Chief Dunham was to be commended for his exhaustive report. Mayor Linton asked if the impounding plan was practical.

Mr. Sparks said that there had been no teeth in the dog by-law. "The town sold tags and then let the dogs run," commented Mr. Smith. "People with flowers will tempt you for this."

The by-law is to be amended so that a dog may be picked up on private property if not on his owner's own premises.

The town will not renew the lease on a sign-board in front of the arena. The Horticultural Society will be asked to landscape this property fronting on Yonge St. without interfering with the parking facilities in front of the arena.

**PLAYS ON OTTAWA TEAM**

The members of the corps wore their dress uniform, red tunics and kilts.

Preceding the dance, which was held in Toronto, Cadet Major Lowndes, officer commanding the corps, entertained for officers and senior N.C.O.s. The affair was arranged by Major and Mrs. R. H. M. Lowndes, John Kennedy and John Bradley.

Councillors Concerned  
About School Fire Escape

The town should do something about the lack of a fire escape at Aurora public school, Councillor Robert Thomson said at an Aurora town council meeting last week. Mayor Ross Linton said that the matter was outside the jurisdiction of the council.

"We only need to suggest it to the public school board," said Deputy-Reeve A. A. Cook. "They will suggest a new school."

"They are trying to curtail expenses, but they shouldn't curtail to the extent of endangering children," said Town Solicitor L. C. Lee. "It's a matter of making a suggestion."

"The firemen go up to the school once or twice a year and ring the bell, and the teachers clear the school in less than 60 seconds, I believe," said Reeve C. E. Sparks. "If there was a fire at the exit, where would they be?" asked Councillor Thomas Swindle.

Collis Leather Will Build  
Plant To End Nuisance

Collis Leather Co. advised Aurora town council, in a letter heard by the council last week, that "present plans call for the installation of a very modern effluent treatment plant on our property this coming spring."

The letter said: "In order to make sure that no further complaints will be received from property-holders adjoining the creek we would like to systematically clean this creek from the tannery as far north as there may be any deposits which would give off any offensive odor." The letter asked that the town and the company share the cost of this latter undertaking equally.

It was stated that the town had shared the cost of cleaning out the stream in the past. On the motion of Councillors Dr. Crawford Rose and Robert Thomson, the council voted to support the company "to permanently dispose of this nuisance."

Query Well Necessity For  
County Council—Solicitor

"Can we do anything about municipalities leaving the county?" Reeve C. E. Sparks asked Town Solicitor L. C. Lee at Aurora town council meeting last week.

"You refer to the applications for city status," said Mr. Lee. "It depends on whether they get franchises. I am suggesting that now is a good time to consider whether the county is necessary," said Mr. Lee. "Give a little more power to local councils. We are over-governed."

"Yes," agreed Mr. Sparks. "The question is whether the county council or the province should go," said Mr. Lee. "The county looks after roads and education," said Mr. Sparks. "We have provincial departments of highways and education," said Mr. Lee. "I don't see the need for the duplication. It would save a lot of money if there were no county government. York is the leading county in the province and might give a lead in this."

"I am afraid that that is what is going to happen to the health plan," said Councillor Thomas Swindle. "Too much administration. The dominion has a plan, the province has a plan, the county has a plan."

PUBLIC SCHOOL TEAM  
TAKES THREE WINS

Aurora public school hockey-ists scored a nice 6-2 win over St. Andrew's College bantams last Thursday at the Aurora arena. Bill McGhee (2), Ronnie Simmons (2), Billy Attridge and W. Rose were the goal scorers. Earlier in the week, the boys scored a 14-2 win over Pickering College and a 2-0 win over Aurora high school first formers. Dr. C. J. Devins refereed the game.

Donald Galbraith preached the evening sermon on Sunday at Aurora Gospel church.

Martin, Uxbridge, former Aurora residents, and a nephew of Miss Beryl Phillips, Aurora, was home for the weekend. When the fire was discovered, he courageously entered the lower part of the building while the flames raged and drove out two automobiles which were garaged there.

Mrs. Hoover writes about a lemon tree they grew from a small tree they ordered from a seed store in Georgetown two years ago last summer. They put it in the greenhouse and for the winter in the house. It is about three feet high. This last spring it blossomed and set a lot of fruit. But the wee lemons all fell off but two. These matured. Mrs. Hoover measured these two. People thought them grapefruit but they were lemons. One measured 14 1/2 inches around and weighed one pound six ounces. The other measured 14 inches around and weighed one pound

## DOWN THE CENTRE

No. 3 Grizzlies visit Newmarket tonight and the fans should see a good game. Both teams need this one badly, especially the Grizzlies. The boys from No. 3 have played good hockey all year but have lacked the "name" players so necessary to success in the present hockey set-up. They held Brampton to a 4-2 score and the good No. 2 team to a 3-0 verdict, while last time out Newmarket got the verdict only by a last-period rally.

George Brooks, diminutive goalie from Windsor, with the possible exception of Westbrooke of No. 2, is the ace netminder of the league.

Chad Bark, former U.T.S. star and Balm Beach footballer, providing plenty of punch, Alex Brown, another U.T.S. boy, and Ken Wilson, former Trail Smoke, a forward who has been converted into a defence star, handle the blue-line traffic.

"Mickey" Maguire, no relation to the Tech. brothers, who spell their name McGuire, is one of the trickiest forwards in the loop, although not fast. He hails from Lachine. Lieut. Ned Toole, Winnipeg, Lieut. Paul Quarrington, Toronto, "Bunny" Rose, Trail, Harry Moore, Fenelon, juniors, "Lefty" Rasmussen, Winnipeg, Lieut. Johnny Guennette, North Bay Trappers, Leski and Holdsworth, former Orillia players, make up the forward line.

Bob Stewart, who played nice hockey in the nets for the Redmen against No. 1 last week, is the spare goalie. Stewart was on loan for the occasion. Last year he played for Niagara Falls juniors and in practice each day acted as spare netminder for Eddie Shore's Buffalo Bisons.

It happened! The pitcher went to the well once too often! Brampton camp was finally defeated and it was the fourth place Tech, and Schools team, now running neck and neck with Newmarket, who did the trick. The score was 11-7 and except for the second period the Techs were never in doubt. Tech had more penalties than Brampton too. Absence of their ace, "Joint" McComb, was noticeable in the play of the Bulls, but it was the eagle-eye sniping and all-round spark provided by Glen Brydson, former Montreal Maroon star, which decided the issue. Brydson snared four nice goals and two assists.

Bayer, former St. Kitt's junior, looked good on the Brampton defence. We understand that one or two of the Brampton team have been, or are about to be, transferred from that centre and are due to arrive at No. 2 C.A.C.T.R., which already has a star-studded team.

Al Shill, who is with the dental corps and was only attached at Brampton, has already been moved to another centre.

"Blind" Caswell, Brampton coach, has received a well-merited promotion and is now Capt. Caswell, and the evergreen Ernie Curran, mainstay of the Orillia team, has been promoted from corporal to sergeant.

Coincidence of the week was an item from the pen of the Brampton camp scrivener, which appeared in print the afternoon of the same day the Bulls took their first loss. He wrote with great power of prognostication: "Napoleon met his Waterloo. Our boys may yet get beaten before the season is over."

Tommy Birchard, who a few years ago was playing a fine game at second base for Aurora softballers in the York-Simcoe loop, is now stationed in the Far East as a radio technician with the R.C.A.F. Tommy hails from Barrie and had played his last softball prior to coming to Aurora.

Boy Collings, better known to hockey fans as "Mutt," is playing hockey this winter for Collingwood Shipbuilders in the northern all-civilian intermediate group. "Mutt" has been getting some nice goals too and Collingwood fans have a yen for him like Aurora fans had back in 1933. The Bradford boy is a steady player and is always in position to take a pass.

Ted Brodeur, who played goal for Midland juniors against Aurora Tigers a few years ago, and is a brother of the veteran Sid Brodeur, is playing goal for the army team at Dartmouth, N.S., this winter. On the same team are such boys as Eddie Bush, Detroit, Roy Conacher, Bruins, and one of the famous Baprade brothers. Sgt. "Dutch" Cain, former Newmarket boy and once ace forward of the Aurora intermediates in the old metropolitan loop, is now stationed at Mountain View, Ont., where he is coaching the station R.C.A.F. intermediate entry. "Dutch" who played for both Montreal Maroons and St. Pats of Toronto, is also on the O.I.A. refereeing staff.

On the Mountain View team is our old friend, Sgt. Frank Michanluk, former Aurora junior star and Aurora softballer. "Mutch's" younger brother, Eddie Michanluk, is with Markham juniors this season. The Mountaineers have a good team in tow, with Pat McCreavey of Boston, Boudreau of Quebec Aces and Aube of Montreal Royals on hand.

Walter Kilnuk, who took the net late in the season to strengthen Whitley juniors, is the same lad who filled the nets for Oakville juniors a couple of years ago against Aurora juniors. He has been playing mercantile hockey and junior B with Oshawa, his home town, ever since then. Incidentally,

Sleightolme, who started the season in the Whitley nets, is only 15 and is almost as good as Kilnuk.

Lionel Conacher, one of Canada's greatest all-around athletes and on many occasions given all-star N.H.L. recognition, is one of those responsible for the improved playing of Whitley juniors toward the end of the season. "The big train" was persuaded by those in charge to visit a couple of the Whitley practices and give the kids the benefit of his advice. As an honorary coach, Mr. Conacher may well be pleased with the results obtained.

Lieut. Larry O'Connor, former track star and coach at No. 23 B.T.C., is managing a Canadian basketball team made up of infantry reinforcements in England and the team has been very successful to date, their biggest win being over a strong American team.

Herb Simpson, one of the stand-out players in the Aurora town league, deserves a big hand for his fine playing. Simpson, who is over the 40 mark and never had a real chance to display his wares in organized hockey, is a favorite with the fans and is as good as any in the league, which is not composed of weaklings by any means. Herb, on several occasions has been a candidate for councillor in Whitchurch township, just failing to make the grade.

He gets in plenty of hockey too, for besides playing for Vancor, he is a member of the Oshawa Bears, who are playing intermediate hockey in the south Ontario O.H.A. group. He is regarded as one of the best players in that circuit too and the Bears stand a fair chance to take the title. "Chub" Spencey, who formerly played in the local junior group for Stouffville juniors, and Bob Redshaw, whom fans of seven or eight years ago will remember as a member of Oshawa's best, are also with Brougham. "Barney" Hood and Jake Baker of Vancor play for Bears too. Ace player of the team, however, is none other than the old sultan of junior swat and swish, Ike Harper, who toiled on the defence for Markham juniors for four years and always gave a good account of himself.

Bobby Foster, who played goal for Markham juniors back in the days when Newmarket Redmen were seeking honors and then went to play for Oshawa Generals, is performing for another of the teams in the south Ontario league and doing nicely too.

Normie Woon, the Coldwater boy who was a strength to Newmarket juniors in the early thirties, got in another hockey season this winter as a member of the South Porcupine senior N.O.H.A. team. The Porcupine, however, were eliminated from their group and will not see further action. Woon has been playing steadily now for about 14 years. He was a member of Aurora intermediates before proceeding northward. It was Charlie ("Kid") Harman who discovered Woon's ability and sought to bring him to Aurora, only to have the Newmarket officials raise the ante and obtain Woon before he got to Aurora.

"Sparky" Vail is awaiting the northern finals as a member of the Timmins team directed by Bob Crosby. Bob, back in 1924, was the outstanding first baseman in the York-Simcoe hardball loop as a member of that good Uxbridge team which eliminated both Aurora and Sutton.

At Sudbury "Fop" Kelley is flying again for the Sudbury Tigers, who will meet the far north winners in the N.O.H.A. finals. Against navy seniors a few weeks ago Regis was about as good as any on the ice and displayed much of the skill he had when flying for the Redmen in '33.

Billy Mundell, who at 15 years of age appears to be headed for a great hockey future, was the top scorer for Richmond Hill juniors during the regular O.H.A. scoring season. Bill got 11 points in 11 games and five assists making up his total, two points ahead of Charlie Rowntree's "Sonny," former Newmarket juvenile. Johnny Sullivan, another up and coming youngster, was in third place with eight points, six of them goals.

"Mickey" Sutton got six goals too but was not officially credited with any marks for assists, which of course may be the fault of the scorers. Surprise of all the Hill scoring records is to see Whitley Jones at the bottom of the heap with only three points, all assists. He was out for several games with injuries.

Jimmy Grainger, the team's publicity expert and No. 1 supporter, did the final tabulation for the Hill. Mundell wins a \$5 prize for top scorer among the Hill kids, given by ex-Reeve Johnny Green. Not to be outdone, the present Richmond Hill reeve, Billy Neal, former Auroran, has given five bucks for the leading scorer in the Richmond Hill mercantile league.

Junior scoring records, taken from O.H.A. records and from scorers for most of the teams, find two boys tied for group honors. Harold Gibson, ace winger of Markham juniors, has amassed a nice 18-point total, made up of 11 goals and seven assists, while Wally Samanski, the Whitley crack sniper, also has the same total. Samanski, by way of goals, leads the league, which after all is what pays off, and so perhaps he should get the nod. Wally has

clicked 13 times on the opposing netminders and has five assists too. It was his scoring spree against Newmarket which brought up his total.

Bill Armstrong, of Navy, who has played at least two games less than either Gibson or Samanski, is in third place, but a scant point back of the leaders. Armstrong tallied 12 goals and got five assists in his shorter playing season. There is little doubt but that if Armstrong had been in every game he would have walked off with the scoring honors.

Harden, energetic Whitley winger, is in the fourth spot with 16 points, evenly divided between goals and assists. Back of him with 15 points comes Clare Walsh, ex-Mariboros forward who performs for the silent service. He too failed to play in every game.

Jack Routcliffe of Markham is tied with Walsh for this spot. Bob Howett, Markham forward, heads the assist department with ten "Cowleys" to his credit.

Boris Tipoff, husky Markham defence stalwart and one of the best to appear in recent years, is the leading scorer from the ranks of the big boys along with Heffering of Whitley.

Most goals in a single game find Samanski in front with a six count against Newmarket, while Bill Armstrong, (2) and Dilling of Whitley have hit the twine for five counters in single games.

Irky Ross, Richmond Hill discard, who finished the season with the junior Redmen, was their leading scorer with a seven-point total and if playing regularly might have done much better. We list below the scorers with at least nine points.

Final junior group standing:

Player	G	A	Total
Gibson (M)	11	7	18
Samanski (W)	13	5	18
Armstrong (N)	12	5	17

Play-offs: Markham vs. Whitley; Navy vs. Richmond Hill.

Intermediate hockey enters its final stages with Brampton, No. 2, Newmarket and Tech. and Schools favored for the four spots. By the schedule it would appear that Tech. has a slight edge for fourth spot. By statistics at the weekend both No. 3 and No. 1 had a chance to hit pay dirt but that surprise would leave it up to Orillia to pull off some surprise work, which appears unlikely. The real battle will be for the third and fourth spots.

By the arrangements made the fourth-place team meets the first-placers, with the second and third teams meeting. These two series are on a goals-to-count basis, which will put a heavy premium on goal-tending, a spot that neither Newmarket or Tech. have great strength in. The final series will be a best-of-three encounter, with the first-place team getting the odd game if necessary. Injuries, drafts, replacements, transfers and lady luck will play a great part in the ultimate decision. Newmarket fans, unlike last season when the regular schedule games meant little towards the end, are in the happy position of having the opportunity of seeing some of the really "crucial" games of the current series.

## QUEENSVILLE

Salvage Drive Will  
Commence On Monday

A salvage collection of paper  
and rags will be made in East  
Gwillimbury during the week of  
Feb. 21. There is an urgent  
need for these things to help in  
winning the war.

The papers should be tied in  
convenient-sized bundles and the  
Red Cross Society, with the aid  
of the township council, is ar-  
ranging for several places  
throughout the township where  
the paper can be taken, and from  
there will be shipped to Toronto.

Every family in the commu-  
nity is asked to be patriotic and  
bring the salvage to the centre  
in their district. The centre for  
Queensville is Lew Irwin's  
garage.

The women's world day of  
prayer for Sharon and Queens-

### Ladies Think Canada Should Admit Refugees

The Women's Institute held its regular meeting at the home of Mrs. G. W. E. Macpherson on Thursday afternoon. Thirty ladies were present. It was decided to hold a tag day for the Navy League in the near future and a gift of \$100 will be sent to the Federated National fund for war work of the W.I.

The subject of the program was Canadianization. Mrs. Bruce Rolling gave a paper on "Refugees, what they have done for Canada," and told of the different manufacturers who have come to Canada and opened up businesses. A debate on "Resolved that Canada should open her doors to refugees after the war," was taken by Miss Siemen and Mrs. H. Broderick as the affirmative and Mrs. K. Ross and Mrs. Geo. Walsh, the negative. It was all thoroughly talked out by the ladies, but the judges, Mrs. Geo. Price and Mrs. W. R. Steeper, decided the affirmative was more convincing. Vocal and instrumental music was given by Wilda Ianson and Ronald Weller.

At the annual meeting of Mount Albert public library recently, the work of the past year was reviewed, showing an income of \$153.36, which was raised by grants from the village and township, a card party, \$15, and a turkey draw, \$45.50. The library board has enrolled for membership with the Literary Guild in Canada to procure at reduced prices the current best-selling books of the month and will be pleased at any time to receive the names of books which members or friends feel would be an addition to the library.

The library is open Tuesday mornings and Saturday afternoons and evenings in the winter months, and through the summer on Thursday evenings also. There are 72 members and they would like more to join this fine organization.

Some of the new books now on the shelves are: Indigo, Christine Weston; A Yank in the R.A.F., Harlan Thomas; Kitty Foyle, Christopher Morley; The Pied Piper, Nevill Shute; The Robe, Lloyd Douglas; Driven Women, Elizabeth Chevalier; Mother Russia, Let the People Sing, J. B. Priestly; How Green was my Valley, Richard, Lewellyn; Above Suspicion, Helen MacInnis; Frenchmen's Creek, Daphne De Maurier; This Above All, Eric Knight; Josselyn's Wife, Kathleen Norris; Mrs. Miniver, Jan Struther; The Hill of Doves, Stuart Cloete; Dragon Seed, Pearl Buck; The Moon and Sixpence, E. Somerset Maugham; Saratoga Trunk, Edna Ferber; Berlin Diary, Wm. Shirer; Sick Heart River, John Buchan.

The officers elected for the year 1944 are: president, Mrs. G. W. E. Macpherson; vice-presidents, Mrs. H. Kurtz, Miss M. Harmon; sec-treas., Miss M. Dike; directors, Mrs. R. Carr, Mrs. H. Brown, Mrs. H. Shields, Mrs. B. Rolling, Mrs. Burgess, Mrs. D. Stokes, Mrs. K. Ross and Mrs. V. Weller.

## TWENTY-THREE THIS WEEK

This week was sports week at No. 23 E.R.C. Two hockey games, basketball, boxing and wrestling were the fare for off-hour entertainment.

No. 2 C.A.C.T.R. met the Newmarket boys at hockey on Monday at Barrie on fast ice. It was a thrilling game to watch but the fans who went up to support the twenty-threes were disappointed that they lost. They went down fighting. The Newmarket team sustained at their last game and minus two regular front-liners, were not a match for the well-balanced free-skating aggregation from Borden. The score was 10-6.

The spearhead of the Newmarket boys' attack was Jack Wheeler, who was the heart and soul of the team. He scored two goals. Zuki potted a single and gained three assists, and Jack Campbell, Harry Osborn and Gary Preston were the other mainstays. Jack Life recorded two assists.

The jinx has not yet departed from the red and whites, for Life received an injury to his chest and the goalkeeper, Marleau, received a bad gash in his face from a fast flying puck. Dobson took over the goal defence after that.

For the Borden team, Lln. Bend of last year's New York Rangers was outstanding, with a trio of goals and two assists and Bobby Bangay starting with a single and four assists.

On Tuesday, replacing the usual stage show at the camp, we entertained Nos. 2 and 3 of A33, Camp Borden, to a basketball and boxing night. This was Newmarket's next, making up for the hockey defeat the night before.

At basketball No. 23 defeated No. 2 by a score of 33-20. At half time the score was 11-6 in favor of the Newmarket boys. The Camp Borden team showed lack of shooting practice. They had more opportunities around the basket than the score suggests. From the throw-ins much time was wasted and both teams allowed the other side to get organized before they threw the ball in.

Avison (8), Robinson (8), Fine (4), West (3), Elridge (2), Hauns (4), Parsons (1), Frouser, Langley, McDonough and McLeas (6) were the Newmarket players.

Boxing then took the spotlight. Results were (N for Newmarket, B for Borden):

125 lbs.—Tpr. Hawkins (N) defeated Tpr. Scott (B) by decision.

160 lbs.—Tpr. Corrier (N) defeated Tpr. Cooper (B) by decision.

Catchweight—Tpr. Ganny (B) defeated Tpr. Yates (B) by decision.

147 lbs.—Tpr. Sandborg (N) defeated Tpr. Olynick (B) by decision.

142 lbs.—Tpr. Holder (N) defeated Tpr. Seveche (B), T.K.O. second round.

128 lbs.—Tpr. Soulliere (B) defeated Tpr. Baldwin (N), T.K.O. first round.

155 lbs.—Tpr. Dugan (N) defeated Tpr. Mignault (B), T.K.O. third round.

125 lbs.—Tpr. Whitworth (B) defeated Tpr. Thornton (N), T.K.O. first round.

R.S.M. Farrell refereed the boxing matches. L. Cpl. Mendelson was coach of the Newmarket boys and acted as second. Sgt. Casement was time keeper. Lieut. W. D. Carwell and S.S.M. W. Morgan acted as judges. Major Beaumont, the sports officer, was a visitor to the camp on the occasion.

After the boxing there was an exhibition of wrestling. Frank Tunney, Toronto, brought up four of his wrestlers, Frank Hewitt, Al. Hornum, Jan Gotch and Johnny Gryffoy, who entertained all by their holds, groans, throws and blows. It looked good acting from where we saw it. To conclude an interesting evening, L. Cpl. Pucelli refereed a wrestling match between McOrmond and Vallelee, which looked more like the real thing. They were of about 125 lbs. McOrmond gained the decision.

We regret to inform that Sgt. McDonald suffered a painful injury when entering the camp through the front gate. It seems that he does not know this way very well. He is like the thief and the robber, he usually gets in by some other way. We hope his foot gets the twist out of it as soon as possible. The cause for his falling was not, as you supposed, that he was busy, but the sixth hour of the day.

The W.O.'s and sergeants had an enjoyable party in the mess on Friday night. The music for the dance was supplied by a few boys in camp under the direction of Sgt. Stewart. One of the high spots of the night was a floor show by Sgt. Stewart, Sgt. Dudley, Sgt. Flood and Marie Farrell. The

## Reeve's Brother Praises Women In War Plants

Oscar Landy, Detroit, Mich., has been visiting his mother, Mrs. Albert J. Landy, and his brother, Reeve Fred A. Landy, Newmarket, for the last two weeks.

Mr. Landy last visited Newmarket in September, 1942. He has been away from Newmarket for the past 10 years.

Mr. Landy told The Era and Express that Detroit is a very patriotic city "as the Germans will soon find out." He said everyone in that city was busy. Mr. Landy himself works in a war plant.

"I have nothing but praise for women who are taking men's places in war work," said Mr. Landy. Asked if he noticed any changes in Newmarket, Mr. Landy said one and change that struck him particularly was the presence of the chain stores on Main St. "There are only about half a dozen old-timers left on Main St.," said Mr. Landy.

## LOOK FOR WOLVES

Wolves in the vicinity of Virginia in Georgina township are elusive. The animals have been killing sheep and poultry in the district but when 50 hunters organized a hunt last week they were successful in bringing back only rabbits, owls and foxes.

## SEE PROS AND CONS IN LIFE IN COUNTRY

The Newmarket East Farm Forum group met at the home of Mr. and Mrs. Bruce McEern, on Monday evening, to discuss the rural youth problem. There were 22 present in spite of the stormy night. Findings were:

"Some of the advantages that rural youth have over urban youth are that they know their neighbors better, have healthier surroundings, practise co-operation with each other, have more home-life and they appreciate any advantages. Disadvantages are inadequate libraries, no clinics, scarcity of vocational schools and specialized teachers and recreational facilities.

"The community school of S.S. 7, East Gwillimbury, is used for church and Sunday-school on Sundays, Young People's and recreational centre. As Sharon has a hall, the Sharon school is not used as much.

"The Farm Radio Forum has helped the community by the suggestion of a dental clinic in the school and has brought the community together socially."

The Farm Forum groups of York are holding a social evening in Sharon hall on Monday. The meeting on Feb. 28 will be held at the home of Mr. and Mrs. Stanley Boyd.

Mr. Weddel was employed at the Office Specialty Mfg. Co. until his death in May, 1907.

Mrs. Weddel was a member of the Newmarket Christian church until she moved to Toronto some years ago.

The pallbearers included Seth Travis, W. E. Rutledge, Wesley Brooks and Frank Cunningham, Newmarket.

Rev. C. E. Fockler, Maple, assisted at the funeral service. Interment was made in Newmarket cemetery.

Dudley Flood turn took everyone by surprise, and most everyone's breath at the same time, but it was voted a good show. Stewart entertained with the sax. The C.O., Lieut.-Col. N. M. Young, and the second-in-command, Major A. H. Adams, turned up and seem to have enjoyed the party as did everyone present. A fine supper served at midnight concluded one of our best parties.

Capt. Kerr of the Salvation Army, the auxiliary services officer of the camp, spoke at the service on Sunday morning. In his address he urged the men to be strong as soldiers and strong in the Lord Jesus Christ. In his strength we may become "overcomers." "Any dead fish can go with the stream, but it takes one with life in it to go against the stream," he said. "That life is found in Jesus Christ."

FROM  
WHERE WE SIT  
By DEL GIBNEY

The butcher, the baker and candlestick-maker, who have been anxiously waiting for a chance to show their wares on the downhill slopes, found haven last weekend at the Newmarket ski trails.

There will be no club organized this year but every skier (young or old) able to get to Glenville should find the trails in good condition.

Bill Jelley, Murray Jelley, Robert Elphinstone, Ian Brown, Jerry Hugo and George Case were among the first skiers to break trail and found the going rather tough.

The Office Specialty bowlers are increasing their lead and have a 604-point advantage over their nearest rival, the de Havilland group, with Ray Jelley's Plumbers and H. E. Gilroy's Merchants fighting to the last pin.

Will Be Champs  
Al White, the plucky Dominion store manager, claims that when the four teams meet in the playoffs it will be a one-team show, with the Plumbers coming out on top as champs for 1944.

Ladies Are Good Bowlers  
The ladies are developing into good bowlers and are piling up averages to compare with many in the men's league. Rose Lee last week in three games scored 272, 221 and 152 for a total of 645, with a 215-point average. Other members are rolling well over the 200 mark.

Will Challenge  
Ernie Bennett and his teammates, the league leaders, are game for a challenge with an all-star team from the ladies' league and says any time and any place.

Air Cadets  
Newmarket Lions club, as sponsors of Air Cadet squadron 277, is seeing that every boy interested, 14½ to 17½, has the opportunity of being a member of the Air Cadets, who meet every Tuesday and Friday evening at Newmarket high school from 7.30 to 9.30 o'clock.

The Air Cadets are affiliated with the R.C.A.F., but the boys are in no way obligated to enlist in the R.C.A.F.

It is training that a young Canadian can ill afford to miss, and gives those who take it increased knowledge of mathematics, meteorology, first aid, aircraft recognition, knots and splices, signals, drills, administration and several other subjects, taught by five R.C.A.F. officers, Commanding Officer H. C. Westbrook, Adjutant J. B. Basdeo, Flight Commander Fred Thompson, Specialist Officer H. M. Gladman and Equipment Officer H. M. Garrett.

The instructors who give many hours of their time are C. Jamieson, Rudy Renzius, H. A. Jackson, Fred Hall, Wm. Young, E. McElroy and R. C. Morrison.

At present there are 88 cadets and five officers in the squadron. Twenty-seven underwent medical examinations by R.C.A.F. medical officers on Jan. 25.

Five cadets of B and C groups have written administration exams and have all been successful.

Parents, friends and citizens are invited to the high school by the commanding officer on any parade night (Tuesday or Friday) to inspect the work of the cadets, and should be there at 7.20 o'clock, when "Fall in" is sounded.

The Cadets propose to sponsor an air force band concert and show to be held in Newmarket arena about April 10.

Flight Commander V. Franks, navigation instructor at No. 1 A.O.S., Malton, liaison officer for the squadron, visited the cadets Friday evening and was making arrangements for a visit of the squadron to Malton some Sunday in the near future.

Information concerning the Cadets can be obtained from the Air Cadet committee, Frank Dowser, chairman, H. E. Gilroy, secretary, H. E. Lambart, treasurer, W. M. Cuckburn, E. S. Thompson, all of Newmarket, or Dr. Crawford Rose, Aurora.

## MOVIES

"The year's most spectacular film is on its way to the Grand theatre. Yet, spectacular, in its true sense, does not describe Walter's 'Yankee Doodle Dandy'." The picture has and does several things which make it a film, but the warmth of its story makes it great!

"Yankee Doodle Dandy" tells the life story of America's greatest showman—George M. Cohan. And it tells that story in the grandest way possible, through the songs and plays that he wrote—his vaudeville and legitimate stage career and, through the inspiration he gave to others. It is the life story of a man, but it is also the life story of show business from the 1880's until today.

James Cagney plays the role of George M. Cohan, and advance reports say that he fits it in every detail. His handling is perfect and his talking of songs rather than

## "Gambling Starts With Marble-Playing Days"

The February meeting of the W.C.T.U. was held at the home of Mrs. E. Bate with the president, Mrs. A. Winn, in the chair. Mrs. J. A. Maitland took charge of the devotional exercises. "Every Christian should lead a God-guided life," she said. "We should fill in our time with 'Spare Moment Prayer.'"

Mrs. G. W. Rivers, Richmond Hill, county president of York and Peel W.C.T.U., spoke on "Moral Education and Mothers' Meetings." The speaker took as her text the fifth chapter of Jeremiah on social and moral reform.

"We are bending all of our efforts to win the war and yet we allow the liquor traffic to flourish," Mrs. Rivers said. "In the popular vote, it is what people love that wins the day. Fifty-seven percent of the voters are women and it is up to us to learn again the principles of the Sermon on the Mount. Are we temperate in all things? Christian education begins with ourselves and the Sermon on the Mount. Do not be pessimistic. God is on our side but are we on God's side?"

"Moral means virtuous, upright. We ask, 'What manner of child will this be?' Ancestry and environment are both important but proper training may overcome environment and ancestry. The training of children is most important. The mother of Moses only had three years to train him but Moses never forgot that he was of the House of Israel."

"The church, school and home are important in the training of children but of these three the home stands first. We need Christian parents to make truly Christian homes. It is said 'the hand that rocks the cradle rules the world.' Teach the facts of life to the children."

"We might as well save our really singing time, which was always Cohan's way of putting over a number, makes the characterization perfect."

The cast is made up of a fine group of performers. Joan Leslie is cast as Mary, a naive girl who wants to get on the stage. She meets George M. Cohan and he gives her a chance to do a song and dance act. However, he decides she'd make a better wife than a vaudeville act, and she becomes Mrs. George M. Cohan. The Four Cohans, which in the Gay Nineties was famous in every town that was large enough to have a theatre, was made up of Jerry Cohan, played by Walter Huston; Nellie, his wife, played by Rosemary DeCamp; Josie, George's sister, portrayed by Jeanne Cagney, and George himself, Sam Harris, the theatrical producer who played a very important part in Cohan's life, is portrayed by Richard Whorf.

Fay Templeton, who was the country's heart throbs at the turn of the century, is played by alluring Irene Manning, whose charming soprano voice does full justice to Cohan's lovely tune, "Mary's a Grand Old Name."

All George M. Cohan's unforgettable melodies are played, including "The Yankee Doodle Boy," "Give My Regards to Broadway," and "Over There."

One of the picture's biggest thrills and what must have been one of
